About Huntingdon County United Way

The mission of Huntingdon County United Way is to improve lives and build stronger communities within Huntingdon County. We are the key organization in Huntingdon County that provides support to non-profit organizations that focus on improving lives. We fight for the education, financial stability, and basic needs of every person in our community.

We are excited to share our progress and upcoming events in our new newsletters! There are lots of exciting updates to share, and we look forward to continuing these seasonal newsletters. First, we would like to announce that our new 2024/25 campaign starts July 1st through June 30th!

The money will benefit the Huntingdon County United Way and Huntingdon County PRIDE. United Way was able to raise \$25,000 for its 23/24 campaign!

A big Thank You to Alan and Heather Boyer, as well as the volunteers for organizing the event and to JCY Fundraising for the sponsoring of this wonderful event!
